KEY PURPOSE

As part of the Regional Commissioning Unit , to drive forward the joint health and social care integration agenda on behalf of the Rhondda Cynon Taf County Borough Council (RCT), Merthyr Tydfil County Borough Council (MT), Bridgend County Borough Council and Cwm Taf Morgannwg University Health Board (CTM).

Support the joint implementation of the Cwm Taf Morgannwg Regional Area Plan, by leading the delivery of key pieces of the work programme as directed by the Head of Joint Regional Commissioning (HJRC).

To establish and maintain programme management arrangements for the delivery of the commissioning work programme across the region for particular services/clients. This includes working alongside Commissioning Officers in partner organisations to

deliver a high quality, flexible and responsive service to internal and external customers.

Facilitate the development of markets such as Care Homes, Supported Accommodation and LAC Commissioning to ensure that the Cwm Taf region has a diverse range of quality services for those who require them.

Be involved in leading the development and implementation of long term commissioning strategies and plans; specifically looking at any gaps in the market and ensuring that legislative and local responsibilities are met.

To lead, manage and maintain the framework for commissioning practise.

Embed a performance management culture integral in the promotion of continuous service improvement across services being delivered in Cwm Taf Morgannwg.

KEY OBJECTIVES

The post holder will:

- Lead key integrated project and commissioning work in support of the joint implementation of the Cwm Taf Morgannwg Regional Area Plan.
- Ensure integrated commissioning strategies are developed and delivered to meet particular client / service groups as prioritised in the Regional Area Plan, ensuring that a sufficiently diverse range of services are available that prevent, delay or reduce the need for statutory care and support.
- Develop and maintain effective and robust relationships with planners and commissioners within statutory partners, ensuring the integrated commissioning work undertaken by the RCU is complimentary and/or facilitates that of partners.
- Engage with children, young people, individuals, and carers in the planning and commissioning of services.
- Engage with providers in the planning and commissioning of services, directing the market to meet the strategic priorities of the region and the projected health and social care needs of Cwm Taf's residents.
- Provide oversight of the quality of the services offered by providers in order to ensure continuous improvement.
- Use market intelligence to maintain oversight of the long term sustainability of markets and market providers.
- Develop and support Partner organisations in developing and managing Integrated Care Fund proposals and projects.

SPECIFIC RESPONSIBILITIES

Leadership

- Leading, managing and maintaining an excellent framework for commissioning practice including: The delivery of high quality planning, commissioning, performance management and improvement processes to drive change, innovation and excellence in regional commissioning in line with national, regional and local priorities.
- Lead on developing the vision and direction for the development of the market for the service/client group including the production of market position statements.
- Promote the delivery of high quality services and the delivery of continual service improvement.
- Deputise for the Head of Joint Regional Commissioning when required to do so.

Management

- Develop an expert knowledge of the relevant local market and on-going market development work to engage providers in regional commissioning priorities, strategies and aspirations.
- Maintain a strong focus on involving users and carers in service design and performance management.
- Ensure that patients and the public are involved in the commissioning cycle so that their views and experiences lead to better decision about the design, improvement, integration and modernisation of local services.
- Develop strategies which support the delivery of high quality services and where appropriate de-commissioning and re-designing services.
- Devise service specifications for commissioned services ensuring that they meet the needs of the region's population
- Work with a range of stakeholders to oversee the implementation of new services as required
- Develop and oversee strong performance monitoring and data quality mechanisms and processes, including audit of performance in line with national standards and performance measures

- Ensure an evidence-based approach to commissioning as well as a strong outcomes-based focus in order to reduce costs and improve service delivery for residents.
- Liaison with Contracting Teams for the processing of all aspects of all major tenders and procurements within the category, ensuring that all procurement activity complies at all times with relevant Standing Orders
- Interpret and implement national policies in relation to integration and ensuring their implementation as appropriate.
- Keep in step with national and regional best practice, appraising the Head of Joint Regional Commissioning of the outcome of regular benchmarking.
- To develop effective and successful working relationships with staff representatives across the organisations, ensuring effective engagement in the Regional Area Plan work programme and highlighting staff implications of the changes being implemented.
- Undertake such other duties and responsibilities commensurate with the grade, as may be reasonably required by the HJRC, or as a mutually agreed development opportunity.

Partnership working

- Identify and take forward opportunities for joint working and innovation, in liaison with the service users, providers and other agencies.
- Forge excellent working relationships with operational managers, peer commissioners and managers (including public health) to secure data, intelligence and evidence to inform commissioning processes.
- Chair regional meetings as required to facilitating development and delivery of the integrated work programme.
- To work with and support senior managers and any relevant multi-agency partnerships in the drive for outcomes and joined up and co-ordinated services.
- To work with the Community Health Council recognising the opportunity for joint working which acknowledge the different roles and responsibilities of each organisation.
- Ensure that the services provided are non-discriminatory in respect of race, gender, age, marital status, sexuality, disability, religion and nationality.
